When you need the single most proven, passionate, persuasive, and professional expert to present a speech, discussion, interview, or article about polygamy, whether directed to conservative, liberal, libertarian, atheist, secular, or religious audiences, Mark Henkel is *the* leading national pro-polygamy talking-head.

WHY MARK HENKEL?

Mark Henkel is pro-woman, pro-marriage, pro-Bible, Christian.	Mark Henkel is <i>not</i> Mormon, <i>not</i> Muslim, <i>not</i> liberal, <i>not</i> lascivious.	Mark Henkel is a history-changing iconoclast who defies all stereotypes! He is uniquely able to stand on the national stage to represent consenting adult polygamy in ways that no one else could. Because anti-polygamists <i>cannot</i> dismiss / discredit him as a Mormon, Muslim, or any other stereotype often used to otherwise thwart the debate, that catapulted him to the national stage to represent all forms as the <i>National Polygamy Advocate</i> TM for the overall National Polygamy Rights Movement for Consenting Adults.
